5 Days of Fun and Adventure

A series of Great Adventure Days full of exciting activities and sports that are suited for almost anyone who has a healthy Spirit of Adventure

We're featuring a group of 7 great action tours, with accommodations in Reykjavik. There's a free day on arrival, and then five days of various activities, all with pickup and drop off at the accommodations you've chosen. You can choose from a variety of accommodations from cozy guesthouse to upscale Four Star!

Here's how it goes:

Saturday

Leave the US on Icelandair on an evening flight from Boston, JFK, or Minneapolis (flights from Seattle, Toronto or Halifax may be available, too.)

Sunday

After an early arrival in Iceland, you can hop on the shuttle bus at the airport which will drop you at your hotel. The day is free to explore some of Reykjavik. We'll provide lots of ideas when we send you your final trip documents. Reykjavik's a fun little town!

Monday

Kayaking/9am pick up, Whale watching/5pm pick up

You'll be picked up after breakfast, as you will be each morning of the Adventure Week. The trip starts with a 9AM Sea Kayaking adventure on the spectacular Hvalfjordur fjord. The kayaking is a stoic and relaxing trip in one of the deep fjords of the North-Atlantic Ocean. In the afternoon you will continue your exploration of the open sea with a Whale Watching excursion from Reykjavik down town harbor. You'll be returned to Reykjavik at 8pm.

Tuesday

Snorkeling & caving/9am pick up

Explore the lava field between Thingvellir, and Laugavatn, where you'll go deep into lava caves formed by ancient lava flows that left miles of hollow tubes on this volcanic island. The second adventure of the

day is a surreal and breathtaking snorkeling visit to the Silfra ravine in the heart of the park. The Silfra is located on the boundary between America and Europe and offers crystal clear underwater views of the lava fissure. Silfra is one of the top ten dive sites in the world and it's even better for snorkeling. You'll return to Reykjavik around 3pm.

Wednesday

Hiking & horse riding/9am pick up

Today starts with a hike to the amazing hot spring area of Reykjadalur valley where you take a relaxing bath in a hot river... a fairly easy but rewarding trek in to mountains riddled with hot springs. Heading to Eldhestar horse farm for lunch, followed by a horse riding trip around the farm. A great chance to experience the unique Icelandic horse and its abilities. You'll return to Reykjavik around 5pm.

Thursday

This is a day to relax and rest up for your last adventure day! Shopping and sightseeing in Reykjavik with a visit to the world famous Blue Lagoon in the afternoon.

Stop by the outfitters shop down town Reykjavik for maps and info. They will book you on the Blue Lagoon bus, which has six different departure times every day.

Friday

Friday morning head out for an amazing visit to the Golden Circle. There you will see the Geysir hot spring area, the Gullfoss waterfall and Pingvellir national park. Dine at Drumbo base camp before rafting the beautiful and exciting Hvítá river. Afterwards you can relax in the hot tubs or sauna.

You'll be back in Reykjavik about 7pm - when you'll have time for a last night in the night spots of the capital.

Saturday

You'll have a long morning to relax, (depending on your flight time) perhaps shop or hit a warm swimming pool, before catching the Flybus shuttle and heading back to Keflavik International Airport for your flight home.

Our Iceland Adventure Week offers interesting days with a variety of ways to experience Iceland's landscape, along with evenings to sample some of Reykjavik's many great restaurants and the lively feel of the city where they leave the lights on all summer!

This week long tour can be a stand alone week in Iceland, or its short enough that it could be added to another tour, if you want an active way to get out in the landscape! We can certainly add more days to your Iceland stay on either end, as well as car rental for independent exploration.

We can add more action--top off your Adventure Week with some Blue Ice Glacial Trekking on Saturday - a day long trek, for an additional \$150 per person.
