## Nature's Treasures

### Mean Rider's Pleasures

Riding in diverse landscape  
3 or 4 days of riding  
Country hotel  
...2016

*A delightful hotel tour that combines riding with a comfortable base at the Hotel Eldhestar in Southern Iceland. There are lots of choices from many riding trails around the Hotel Eldhestar. The tour can be either 5 or 6 days long, (with 3 or 4 days of riding) It starts nearly any day in the winter, and Saturday or Wednesday in summer*

The hardest part about this tour is deciding what to do! It's very flexible, so riders can choose, according to their skills or interest, or even the weather, what they should do and where they should go. There are lots of riding options in the mountains, valleys and river banks nearby, and at the end of each day the Hotel Eldhestar offers the comfort of a hot pot, good dinner, soft beds and private bathrooms, plus the conviviality of a chat in the bar. You'll have to pick from among the following possibilities:

- \* An exciting ride up the undulating valley of Reykjadalur where many steaming hot springs flow over unusual rock formations. Bring your suit!
- \* A relaxing ride along the mountains Reykjafjall and Ingólfsfjall before lunch. And then, afterwards, there's time for more riding, or relaxing at the farm!

- \* A comfortable ride on the grassy trails that go along the banks of the river Ölfusá, and out along its delta. The bird sanctuary there may offer views of many Icelandic birds.
- \* An interesting ride into the narrow, geothermal valley Grensdalur, where colorful mineral and mountain formations abound.

There are many *convenient* things about the Nature's Treasures Tour! It's *available* to start on many days (when there's space at the hotel in winter, on Wed and Saturdays in the summer. It's *flexible* enough to allow you a choice of where you'd like to ride most days - depending on your experience, energy, the weather, and whim. It's *comprehensive* in that it gives you several nights in the country during the riding days, and it has a night in Reykjavik - so you'll enjoy Iceland's beautiful landscape and its lively capital!
