Nature's Treasures

Mean Rider's Pleasures

Riding and Good Lodgings
3 or 4 days of riding
Country hotel
2010

A very pleasant hotel tour that combines riding with a very comfortable base at the Hotel Eldhestar. There are lots of choices - you can choose among the many riding trails around the Hotel Eldhestar. The tour can be either 5 or 6 days long, (with 3 or 4 days of riding) and starts nearly any day.

The hardest part about this tour is deciding what to do! It's very flexible, so riders can choose, according to their skills or interest, or even the weather, what they should do and where they should go. There are lots of riding options in the mountains, valleys and river banks nearby, and at the end of each day the Hotel Eldhestar offers the comfort of a hot pot, good dinner, soft beds and private bathrooms, plus the conviviality of a chat in the bar. You'll have to pick from among the following possibilities:

* An exciting ride up the undulating valley of Reykjadalur where many steaming hot springs flow over unusual rock formations. Bring your suit!

* A relaxing ride along the mountains Reykjafjall and Ingólfsfjall before lunch. And then, afterwards, there's time for more riding, or some spa time or a visit to the very pleasant warm swimming pool in the nearby village of Hveragerdi!

* A comfortable ride on the grassy trails that go along the banks of the river Ölfusá, and out along its delta. The bird sanctuary there may offer views of many Icelandic birds.

* An interesting ride into the narrow, geothermal valley Grendalur, where colorful mineral and mountain formations abound.

There are many *convenient* things about the Nature's Treasures Tour! It's *available* to start on any day when there is room at the hotel for you. It's *flexible* enough to allow you a choice of where you'd like to ride most days - depending on your experience, energy, the weather, and whim. It's *comprehensive* in that it gives you several nights in the country during the riding days, and it has a night in Reykjavik - so you'll enjoy Iceland's beautiful landscape and its lively capital!

Dates, Prices and Useful Details

This ride, which is available as a 5 or 6 day tour, with three or four riding days, runs every day from January until December and can be joined on any day that there is room at the farm. Riders will arrive in Iceland, have a day in Reykjavik then be taken to the outfitters farm for over-night, so you'll be ready to ride the next morning when the tour starts. You'll ride for the allotted number of days, have a post ride night in a Reykjavik hotel before leaving for home the next day. Here's how the four day tour works - if you choose to arrive in Iceland on a Monday morning, you could see a bit of Reykjavik that day, spend Monday night at the farm, ride Tuesday, Wednesday, Thursday, and Friday, return to Reykjavik Friday night, and leave on Saturday. This is a great tour to use at the start or end a great Iceland adventure!
