# What you'll do and see.

## Day 0:

Leave North America for short overnight flight on Icelandair.

## Day 1:

### Welcome to Iceland

After an early arrival in Iceland, grab your bags and head into Reykjavik, where you'll be dropped at your hotel. Here you can check-in at your family room. We'll provide ideas for exploring and suggestions on where to eat.

## Day 2:

### The capital Reykjavik

Start your Viking Challenge with a private 3 hour customized family friendly city tour to introduce you to Iceland's capital. This afternoon, after a light lunch at a local riding center, you'll enjoy a 30 minute horseback riding tour in the lava fields outside Reykjavik. Visit the Viking village and Bessastaðir, the home of the Icelandic president.

## Day 3:

### Sea Angling

Catch your lunch today, when you head out to sea on a fishing trip into Faxaflói bay. The best part? They prepare your catch right on the boat! The afternoon is free, so perhaps take in one of the many small museums, the Maritime Museum,

soak and splash in a warm swimming pool, or you could use your Reykjavik card for more fun - you could visit Videy Island, go to Reykjavik's farm animal zoo and family park.

## Day 4:

### Biking

You'll have the morning free to sleep in, wander the city, or swim. After lunch, you'll have a private 3-4 hour bike tour around town and to the Seltjarnarnes peninsula with its lighthouse and flocks of birds.

## Day 5:

### Leisure Day

Explore Reykjavik with your 72 hour Welcome Card or book some optional bus excursion or activity tour.

## Day 6:

### Whales & the Blue Lagoon

Back to sea again this morning for a 3 hour Whale & bird watching cruise in Faxaflói bay. In the afternoon you can soak off the action of the week at the famous Blue Lagoon, before heading back to Reykjavik.

## Day 7:

### Biking In The Capital Of Hot Springs

Hveragerði is just a 30 minute drive east of Reykjavik and known as the flower and greenhouse village of South Iceland, and is positioned on an active volcanic zone. You will explore this pretty place during a private family friendly tour by bike and on foot. Visit the geothermal park where you will witness the range of small gurgling hot springs to vibrant super heated pools of water and steam. You will have an opportunity to boil an egg in one of many hot springs and eat bread that has been baked in the hot earth. After an exciting and fun tour enjoy a relaxing bath in the geothermal outdoor swimming pool of Hveragerði. Packed lunch and transfer to/from Hveragerði included.

## Day 8:

### Farewell to Iceland:

You'll have a long morning to relax, sleep in, shop, swim or write postcards. Then you'll be picked up at your hotel for the ride back to Keflavik Airport - where you can head home, knowing you've met the Viking Family Challenge!

All tours, as with most adventure travel, are subject to the guides assessment of conditions - if conditions aren't suited for a particular activity the itinerary may be rearranged, as traveler safety always comes first.
